Dear Sir/Ma'am:

H.E.L.P. Las Vegas Housing Corp. II is a Las Vegas based affiliate of H.E.L.P. USA, a national non-profit organization specializing in affordable housing development, management and supportive services.

In 2003, H.E.L.P. was approached by the City of Las Vegas to develop approximately two hundred units of affordable housing on the site at 1455 Main Street, Las Vegas, NV. Phase One consisting of seventy-five units is scheduled to be completed by the end of 2006. Phase Two is anticipated to start construction in 2007 and Phase Three is proposed to start construction in 2008/2009.

Phase two consist of fifty units of affordable housing in a four story building. There will be eight studio units, twenty-one one bedroom units and twenty-two two bedroom units. Phase Three will consist of seventy five units in a five story building. The design of Phases Two and Three are more of a residential style than Phase One.

Building construction will consist of slab on grade and concrete block construction. The block will be covered with stucco and metal S-tile to make the building have a residential feel. The buildings will have amenities such as a community room, computer room, exercise room and picnic area and supporting office space.

The development of HELP at Owens, Phase II will help address a variety of needs identified by the City of Las Vegas and Clark County. According to the Clark County Consolidated Plan, the development of affordable housing for low-income households is the highest priority for the City of Las Vegas. HELP has been providing affordable and supportive housing for low-income people since 1986. With a growing portfolio of over 2,000 housing units, HELP is emerging as one of the nation's leading non-profit developers of affordable housing.
